My Dearest Parish Family, friends and guests! Welcome to our Parish Feast Day Celebration. Please join us as we celebrate today 109 years of our parish community. It is the Day to celebrate and celebrate joyfully! Our Community has been serving God and providing spiritual nourishment to people for 109 years. It is a great honor for me to serve as a pastor for this parish as it starts new century in its life. A new era and a new beginning. Thanks to your generosity, support and dedication of our parishioners the community continues to live! We are blessed with beautiful temple, Church hall, rectory in a great location. We should be proud of what we have and thankful to our parents, grandparents for their hard work of brining this community together. Surely, they will be remembered today during the service for their love to this place and its people. Today, we pray for them and thank them for all that they have done for this parish community. They have served the parish and

God by giving their part, their best. They have succeeded, by leaving good memories about the life of this parish; they have succeeded by leaving for us all that we have now. They have succeeded and past all of that onto us. They have given that to us to continue to do what they have been doing.

Let's continue their legacy. Let's continue giving life to this community by infusing it with energy by making this community a vibrant one. We can do so by gathering together and joining in prayer services, coming to the church hall kitchen and helping out our hard working sisterhood of St. Anne or ways and means community to prepare for the church events. We can ensure the future grows of this community by supporting parish organized events, both Liturgical services and social events. We are one big family—parish family.

It is great to know that we are mortgage free, but we still need financial support of our parishioners, benefactors to maintain the property. It is not only about paying utility bills and bills for upkeep of the church grounds etc. It is about refurbishing, updating and repairing structures that are over 35 years old. We have done many repairs, but there are still some projects in front of us. We can raise funds through donations as well as fundraising events. Moreover, financial donations are utilized for caregiving purposes in our local area. Therefore, we can keep this parish alive by participating in community events, from retreats to trivia nights, dinners, and parish celebrations. We can ensure a bright future for this parish community by teaching our children to love God and our community by bringing our children to church with us, signing them up for Sunday School, Church School Camp.

Today, by celebrating the Feast of Saints Peter and Paul, Patrons of Our Community, it is our duty to remember in our prayers the founders and benefactors of our parish. I encourage you to pray for each other, for fellow parishioners, for the wellbeing of our parish, for peace and love among our Christian brothers and sis-

Church Temple Main Chandelier

Over the past year, Our Church Temple has been beautified and remodeled. Many necessary updates have been done, thanks to the parishioners kindness and generosity.

Our Goal
\$15,000
\$10,000
\$5,000
\$2,000

We are working on replacing Main Chandelier at the Church Temple. Current one is too small for our temple as well as in very poor condition. We have collected so far \$5280.00 towards this project.

We hope we would be able to raise enough funds to purchase a new one and install it in the near future.

Every little bit helps.

Thank you for your support.

Wisdom of the Church Father

This is the mark of Christianity—however much a man toils, and however many righteousnesses he performs, to feel that he has done nothing, and in fasting to say, "This is not fasting," and in praying, "This is not prayer," and in perseverance at prayer, "I have shown no perseverance; I am only just beginning to practice and to take pains"; and even if he is righteous before God, he should say, "I am not righteous, not I; I do not take pains, but only make a beginning every day."

Church Humor

A priest was taking a tour of biblical sites, when he came to a beach and saw a boat and a sign advertising, "TAKE A BOAT RIDE TO THE EXACT PLACE WHERE JESUS WALKED ON WATER!!!"

Inquiring about it, he learned that the ride there was free, so he went.

After viewing it, he said to the captain of the boat, "Ok, I'm done, let's go back now." "That'll be \$35 to go back."

The priest, shocked by the charge, exclaims "Dang, no wonder Jesus got out and walked!!!"
