Parish Feast day Festival

My dear parish family and friends,

Glory to Jesus Christ!

I hope every one of you, who have participated at the celebration of our Feast Day have enjoyed it.

The Feast Day celebration required a lot of work, but it turned into a great day.

I am excited and ready to review the success of the day with the parish council and Festival Committee to prepare even better for the next year's celebration.

It was truly a great day!

Thank God for the good weather

Yes it was a bit on a warm side, but it didn't rain. The forecast was calling for the rain in the afternoon. You must have prayed hard for a good weather. I did. It did rain, but north of us.

Judging by the fun, joy, excitement that the people had, we had the Best one yet!

It was truly a joy to be in the Hall filled with people, celebrating together. It was a music to my ear, to listen to so many good comments about the food and the way the Festival has been run.

The kitchen was sure busy. They have done an outstanding job of preparing and serving the food.

The outside grills did very well as well. The new addition - shish cabob was a big hit.

It was an overwhelming feeling to be in the overfilled hall watching the performance of the dancers. It was delightful to see so many cars parked all over the place, overfilled church parking lots, grass, side of the road. They have filled parking lots at the next door parish to the limit and starting parking cars at the School parking lot this year.

Children sure had a lot of fun patting the animals, riding ponies, jumping in the bounce house, having their face painted, balloonist and being sprinkled with water by Fire department.

The event turned out to be ones again A HUGE success of course thanks to YOU my parish family.

It is thanks to your love and dedication to our parish of Sts. Peter and Paul.

Thanks to you inviting people

Thank to your hard work of preparing for the festival

Thanks to your hard working running it and cleaning up after

Thanks to your generosity of covering some of the big expenses.

This year as never before, there were so many donations made towards the Festival individuals

Feast Day
from indi-

Starting from the donations of the food items for grills outside to donations toward the Basket Raffle, donations to cover the expenses of the ponies and petting zoo.

Solicitation of the businesses for donations was unbelievable.

We have received donations from 46 businesses.

Thank you to all the volunteers, who have signed up to work in advance as well as who have come forward and stepped in to work at different shifts at the very day of the Festival.

To all who have worked for the success of the Festival I want to say,

Your love towards our parish family made it possible and turned our annual event in another unbelievable success!

It would be nice to see a bit more people in Church that morning.

I pray and hope your example will inspire others in our parish community.

Remaining in the Love of Our Lord and God Jesus Christ,

Yours,

Fr. Vasyl

Church Temple Main Chandelier

Over the past year, Our Church Temple has been beautified and remodeled. Many necessary updates have been done, thanks to the parishioners kindness and generosity.

We are working on replacing Main Chandelier at the Church Temple. Current one is too small for our temple as well as in very poor condition. We have collected so far \$5360.00 towards this project.

We hope we would be able to raise enough funds to purchase a new one and install it in the near future.

Every little bit helps.

Thank you for your support.

Church Humor

A young woman teacher with obvious liberal tendencies explains to her class of small children that she is an atheist. She asks her class if they are atheists too. Not really knowing what atheism is but wanting to be like their teacher, their hands explode into the air like fleshy fireworks.

There is, however, one exception. A beautiful girl named Lucy has not gone along with the crowd. The teacher asks her why she has decided to be different.

"Because I'm not an atheist."

Then, asks the teacher, "What are you?"

"I'm a Christian."

The teacher is a little perturbed now, her face slightly red. She asks Lucy why she is a Christian.

"Well, I was brought up knowing and loving Jesus. My mom is a Christian, and my dad is a Christian, so I am a Christian."

The teacher is now angry. "That's no reason," she says loudly.

"What if your mom was a moron, and your dad was a moron. What would you be then?"

She paused, and smiled. "Then," says Lucy, "I'd be an atheist."
