This year, our Annual Church School Camp took place on Thursday and Friday of August 1 and August 2. Forty three children took part in the event.

The theme of the Camp was Blast off into God's Galaxy. Children had an opportunity to learn about Christian virtues as planets in God's galaxy with its center of course – Sun as Son of God Jesus Christ.

The Camp started with the morning Prayers and introductory lesson on main Christian Virtues followed by launching of a giant water rocket into the skies.

The kids had a great time of fun and learning about God and His Church, thanks to organizers of the Camp, as well as teenagers, parent helpers and support of our generous donors. This year as never before we had people generously contribute to the needs of the camp.

Special thanks to the organizers of the camp; Pat Wolsko, Janet Milton, Debbie & Larrie Pierog, Karen Larson & PM Olenka. They have done a terrific job of preparing and leading the annual Church School Camp.

This year, they have done something different. They have revamped the whole program. They had children to work in smaller groups on different activities. From thought-provoking making of a poster on one of the virtues to quiet story time reinforced by craft, fellowship games enjoyed by every age group, and of course water balloon toss and ice cream social. On the second day of the camp, children had a guest speaker/performer with Biblical theme Magic show.

Little kids with their parents were welcomed to take a part in the camp. It looked like little guys had a great time enjoying some of the activities with the older kids and some with their parents and their peers. We had children of Sunday School and Saturday school as well as some children from the area. Kids enjoyed each other's company by praying together, doing crafts, playing educational games, making and baking their own pizzas for lunch, assembling their very own sandwiches, learning and having fun. It is important to note, that this is the third year that the children of both schools participated at the camp and there was no need to translate things into Ukrainian.

Educational games, which were fun to play, taught kids about the importance of gathering together for a common goal. Children saw the great benefits of staying together in unity to pray, to work and to have fun.

One of the fun activities was making their own lunch. The new

talents were discovered, as the kids formed the dough, spread the sauce, made and designed their own pizzas. It was truly a delight to see them having fun working with dough and then munching on their creations in a circle of friends. New friendships have been made.

The Camp ended with an ice-cream social and traditional water balloon toss and me getting soaked. Kids do keep the custom of making their priest soaking wet at the end of the water balloon toss. Everyone left for home with great memories of a time well spent together with friends from the parish family.

All of the participants, including children, teenage helpers and adult leaders had a great time. We encourage parents, grandparents to save the date for next year's Parish School Camp and find time to bring the kids over for a few days of learning fun. We are planning to have the camp on August 6 and 7, 2020. There are thinking of having an overnight sleepover at the hall for those parents and children, who would be interested. We, as parents always try to provide and choose the best things for our children to spend time during summer. Those parents, who sent their kids to Church School Camp this year, have made a right choice.

Church Humor

A burglar broke into a house one night. He shined his flashlight around, looking for valuables; and when he picked up a CD player to place in his sack, a strange, disembodied voice echoed from the dark saying, "Joshua is watching you."

He nearly jumped out of his skin, clicked his flashlight off, and froze. When he heard nothing more after a bit, he shook his head, promised himself a vacation after the next big score, then clicked the light on and began searching for more valuables.

Just as he pulled the stereo out so he could disconnect the wires, clear as a bell he heard, "Joshua is watching you." Freaked out, he shined his light around frantically, looking for the source of the voice. Finally, in the corner of the room, his flashlight beam came to rest on a parrot.

"Did you say that?" he hissed at the parrot.

"Yep," the parrot confessed, and then squawked, "I'm just trying to warn you."

The burglar relaxed. "Warn me, huh? Who in the world are you?"

"Moses," replied the bird.

"Moses?" the burglar laughed. "What kind of people would name a bird Moses?"

"The kind of people that would name a Rottweiler Joshua."
